Hall, taries appointed to the abortive Peace Conference at Arica, held in November, 1880, at the instance of Gen. Hurbut, United States

AS TO MINISTER HURLBUT. "The Peruvian generals, with their newly

the part of your government in favor of posed by the United States minister. They accordingly accepted the conditions, dis-banded their forces and the cause of Peru was lost. She was left without so army, a head, with a foreign force on her soil. So long as a strong army, such as she had, was left to her she had, if not actual hope of succesa in the field, at least cause for exacting reasonable conditions in the making of peace. The promise of the United States minister was a delusion and a snare. It ended the war by leaving Peru at the absolute mercy 3,862,000 bushels, of which 2,080,000 bushels of her enemy."

THE PRESENT CONDITION OF PERU. "And what has happened since?" "Anarchy-chaos. Peru is in the hands of Chili. The Chilians seized upon the revenue. They collect the taxes and levy new oces. tion. They have sacked the museums, indicated the first sand are collections, transferring the judge, and a prominent editor and politically to Caiti. The region of the guano and nitrate deposits, which, together with the oublic revenues, were mortgaged to pay the oreign debt, is in their hands. They seize morning. He was a member of the Thirtyall and pay nothing on the mortgage." "And have there been no renewed attempts estiling upon a peace treaty?
Since the conference held at Arica none. There is no one now for the Chilians to treat with. They have created a political vacuum arrested on suspicion of setting the building on Peru, and maintain their position by reason on fire. Loss, \$30,000 to \$40,000.

of it. They have been pourporlers, but they were not sincere on the part of the Chilians. The truth is the Chilians do not want peace. and will never conclude peace unless com-pelled to do so by the pressure of moral or "But as to the co-t of maintaining the "They pay the cost out of the country, ex-

in the matter of peace, take the be reruvians then made overtures for peace and sent plenipotentiaries with power to offer terms. Their offers were rejected. When Vergara returned to Chili, after the opening of the Chilian Congress, he was taunted with having purposely prevented peace. He acknowledged the fact before the letter of the Latar Club to-night Whitelaw Reid was elected president; Horses Porter and Frank R. Lawrence, vice-presidents; Thomas W. Knox, accretary, and Frederick known. Mr. French offered sixty-two and the control of the Latar Club to-night Whitelaw Reid was elected president; Thomas W. Knox, accretary, and Frederick known. House, alleging as his defense that to have made peace then would have been to frustrate the whole object of the campaign, which was to ruin Peru and place it in such condition that it would not rise again within 100 years. And to so barbarous and I the Congress to object, thus showing that Vergara rightly interpreted the feeling of

render the province of Tarapaca, which contains the deposite?" PERU'S BONDED DEBT. 'To be sure Peru has great resources, even without these guano and nitrate regions. She is rich in mineral and agricultural prouctions. But the foreign mortgages would till bind her. It would be like presenting a can with a magnificent palace while allow ing him nothing to eat." "What of the morigages now?"

"They are still chargeable to Peru. Chili pays nothing and insists that even if peace is ade Pern shall be answerable for all the debte, not only that Caili places on the ountry by force of conquest, but even for the lebts incurred by the regions which she pur poses to annex. "In the event of peace on such terms would Peru repudiate her debts?" "That would be a bad beginning for reconstruction and would probably lead to other difficulties. The foreign bondholders might say: 'It is true you have lost the guano and strate deposits, but you have your revenue

from other sources. You owe us; nay us out of sgriculture, commerce and customs." "There seems but little hope for Peru hen!" "None, except through out-ide interference. Calderon is held as a hostage i Cuili, Montero was named vice-presiden under Cald-ron; but he has no following. The Chilians are everything. Montero is in Arequips and has the name without the office of vice-president of Peru. Minister Logan seems to follow in the footsteps of Mr. Hurlbut. At the very time of President Arthur's message, wherein he pronounced the terms that Chili undertook to exact from eru altogether too operous, Mr. Logan was negotiating with Calderon, urging him to accede to these very terms. The Chilians, as i-ual, dallied with and delayed the negotia-

tions. Failing with Calderon Logan then stero with a like request and like result. WHY ADMIRAL GARCIA LEFT PERA. "Why have you left your country, may I wrietor, has suspended.
